Community Initiatives

Immigration Services helped neighbors increase their knowledge of available immigration services, their immigration rights, and/or relief options

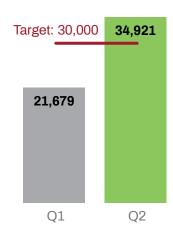

Civic Engagement helped register neighbors to vote

Community Centers provided neighbors with information and referrals

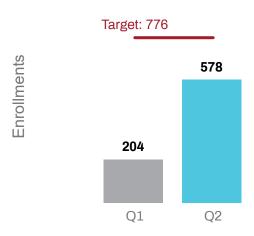

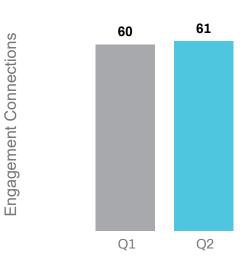

Community Initiatives

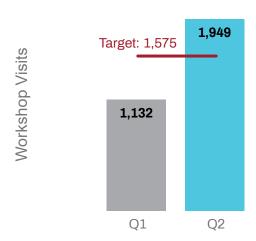

Neighbors enrolled in Adult Education

Learning & Engagement Centers made connections with youth through community engagement activities

Small Business offered workshops and classes focused on knowledge-building around trending needs

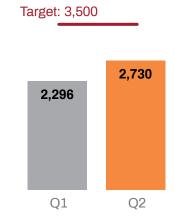

Health & Wellness Initiatives

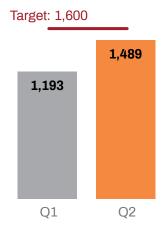

Seniors participated in programming across 8 domains of wellness

Seniors participated in health promotion classes

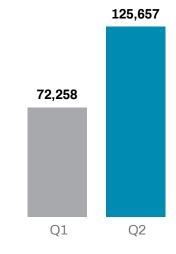

Participants

Volunteers across the agency helped offset costs

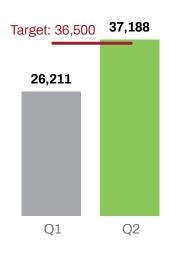

Regional Initiatives

Tax Centers helped generate higher net tax refunds for neighbors

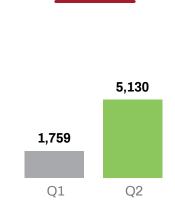

Utility Assistance helped neighbors pay yearly utility bills

Target: 11,600

Returns Prepared

Households Served

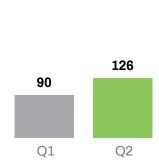

Weatherization performed energy updates on neighbors' homes

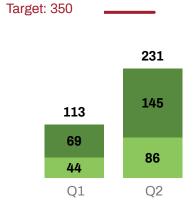

Target: 357

Veteran Services enrolled neighbors in Homelessness Prevention and Rapid Rehousing

Households Served

Enrollments

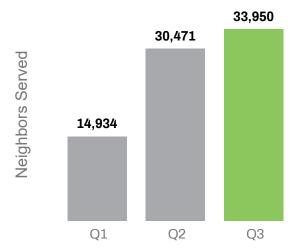

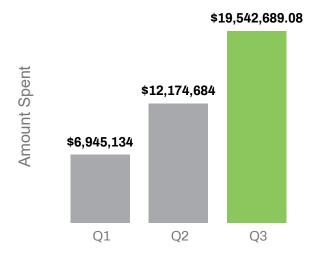

Workforce Initiatives

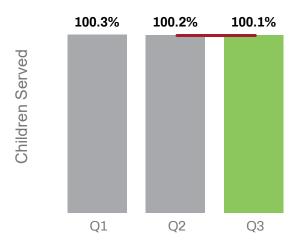

Career Offices helped neighbors find new careers and increased wages

The Financial Aid Payment Office contributed toward education/training and work support for neighbors

Children were served by Child Care Services

NEW & NOTABLE

EARN

\$11,500,000 in utility assistance provided, helping 7,000 households ¹ EARN

4,000 students served in Coastal Bend with childcare services ²

BE WELL

breakfasts served to 1,991 seniors since October 2nd, 2023

EARN

\$112,000 distributed to 30 families for home repairs 4

- ¹ The Utility Assistance Program launched its new database, "HEMii," on Salesforce in January 2024. Since then, UAP has committed \$11.5M in utility assistance, helping 7,000 households across Brazoria, Galveston, and Harris Counties.
- ² This is the highest number of children ever served by BakerRipley Childcare Services in the Coastal Bend region.
- ³ As of June 30, 2024, we have served 1991 unduplicated seniors over 101,900 meals since starting the Senior Breakfast Initiative on October 2, 2023.
- ⁴ Department of Energy added Repair Funds to the Weatherization Program's standard budget. Homes that in the past were denied weatherization because the home was in disrepair were able to be weatherized. Thirty families received a total of \$112,000 in home repairs In the last 12 months.

COMMUNITY CENTERS

Reporting Period: Calendar Year Division: Community Initiatives

BakerRipley Goals:

- **BELONG**: Encouraging Connections and Engagement
- EARN: Enhancing Financial Well-Being and Access to Resources
- LEARN: Developing Knowledge and Skills
- BE WELL: Improving Social Drivers of Health & Wellness

Program Goals1:

- Neighbors meet their basic needs.
- Families have multiple opportunities to access health services and healthy living activities.
- Residents connect with their neighbors and the community via engagement and enrichment activities.

¹ In 2022 the Community Centers reorganized their goals to fit into four overarching strategies that focus on: 1) Enrichment and Engagement; 2) Health and Wellness; 3) Basic Needs; and 4) Integrated Referrals and Services. Moving forward, Community Center outputs and outcomes will be tracked based on these four strategies.

² The combined target for outputs #1 & #2 is 16,000.

CIVIC ENGAGEMENT

Reporting Period: Calendar Year Division: Community Initiatives

BakerRipley Goals:

- BELONG: Encouraging Connections and Engagement
- · LEARN: Developing Knowledge and Skills

Program Goals:

- Neighborhoods are welcoming and have a strong civic presence.
- Residents stay informed about key community challenges and are empowered to work together in fulfilling their community visions and aspirations.
- Neighbors understand their voting rights and are motivated to vote in local and federal elections.

| | 2023 Target | 2023 YTD | 2023 EOY | 2024 Target | 2024 YTD | | |
|---|---|-----------------------|----------------------|----------------------|----------|--|--|
| BELONG OUTPUTS 1 | | | | | | | |

- 1 The number of Community Engineers includes 9 newly trained engineers. 35 of the total number of engineers were active in cohorts.
- ² Outcome #5 is supported by both the Civic Engagement and Immigration teams and is reported in Q4.
- 3 These opportunities for direct action came through 18 attendances by Commmunity Engineers.

IMMIGRATION & CITIZENSHIP SERVICES

Reporting Period: Calendar Year Division: Community Initiatives

BakerRipley Goals:

- BELONG: Encouraging Connections and Engagement
- LEARN: Developing Knowledge and Skills
- EARN: Enhancing Financial Well-Being and Access to Resources

Program Goals:

- · Houston immigrants know their rights and relief options.
- Houston immigrants have access to free or low-cost legal representation to successfully change their legal and/or work status or halt their deportation.
- · Lawful Permanent Residents prepare for and achieve U.S. Citizenship.
- BakerRipley leads Houston-wide efforts to best support immigrants and immigration service providers through innovative strategies, capacity-building efforts, special projects, and collaborative leadership.

- ¹ In addition to legal services, the team provides case management for wrap-around support, trauma-informed holistic social services for clients, and promote civic engagement with new citizens.
- ² Outputs 2 and 7 make up the key metric on Page 3 "# of neighbors increased their knowledge of available immigration services, their immigration rights and/or relief options."
- 3 Outcome #5 is supported by both the Civic Engagement and Immigration teams and is reported in Q4.

Youth

Reporting Period: Calendar Year Division: Community Initiatives

BakerRipley Goals:

• BELONG: Encouraging Connections and Engagement

• LEARN: Developing Knowledge and Skills

• BE WELL: Improving Social Drivers of Health & Wellness

Program Goals 1:

- · Youth build fundamental attitudes for school success.
- · Youth increase their positive behaviors and social skills.
- Parents/Caregivers access a trusted community resource for their children.

| | 2023 Target | 2023 YTD | 2023 EOY | 2024 Target | 2024 YTD |

| 7. Parents/guardians who report their child | dren are more excit | ed about exercisir | ng and physical fitr | ness after participati | ng in the |
| course | 75.0% | 100.0% | 100.0% | 75.0% | |
| | | | | | |

- ¹ The Youth page has been altered to highlight how various programming across Community Initiatives serves neighbors ages 0 to 18. This page previously highlighted Out of School Time Programming through licensed childcare.
- ² We do not have survey responses for this quarter due to a change in the survey administrator in accordance with funder requirements. We expect to receive results for Q3.
- ³ The number of Youth enrichment enrollments and physical activity enrollments (metrics #2 and #6) were not able to be calculated for this quarter due to data recording issues. These issues are expected to be rectified by Q3.
- ⁴ Enrichment Class post-surveys have not been administered during the first two quarters but will be reported later in the year.

ADULT EDUCATION

Reporting Period: Calendar Year Division: Economic Initiatives

BakerRipley Goals:

- EARN: Enhancing Financial Well-Being and Access to Resources
- LEARN: Developing Knowledge and Skills

Program Goals:

- Students gain knowledge/abilities that relate positively to personal, financial, and/or social growth.
- · Increase digital skills and access to connectivity.
- Increase student retention through unrelenting support, goal setting, and connection.

| | 2023 Target | 2023 YTD | 2023 EOY | 2024 Target | 2024 YTD | | |
|---|---------------------|----------------------|---------------------|-----------------------|----------|--|--|
| LEARN OUTPUTS 1, 2, 3 | | | | | | | |
| 1. ESL Students | 650 | 586 | 764 | 550 | 394 | | |
| 2. School to Work (HSEC/ABE) students | 200 | 214 | 277 | 226 | 184 | | |
| 3. Integrated Education & Training (IET) Pa | rticipants | | | | | | |
| | | | | 45 | 42 | | |
| 4. Digital Skill Development engagements l | y current adult ed | ucation students, | BakerRipley progra | am partners, and co | mmunity | | |
| members | 600 | 595 | 908 | 750 | 578 | | |
| LEARN OUTCOMES | | | | | | | |
| 5. ESL students who demonstrate gains in | nglish based on B | EST+ Literacy and (| Oral pre- and post- | test scores | | | |
| | 70.0% | 67.9% | 74.3% | 70.0% | 62.3% | | |
| 6. HSEC/ABE students who demonstrate ga | ins in math, readir | ng, and writing skil | ls based on TABE p | ore- and post-test sc | ores | | |
| | 70.0% | 61.8% | 73.0% | 70.0% | 54.5% | | |
| EARN OUTPUTS 4, 5 | | | | | | | |
| 7. Student Support through Navigation and | l coaching services | | | | | | |
| | 4,138 | 2,456 | 5,070 | 600 | 582 | | |
| 8. Career Readiness Workshops & Presenta | ntions | | | | | | |
| | 225 | 283 | 694 | 500 | 386 | | |
| EARN OUTCOMES 6, 7 | | | | | | | |
| 9. Mobility Mentoring participants with a 20% increase in income through a new employment opportunity in the IT field | | | | | | | |
| | | 100.0% | 100.0% | | | | |

- ¹ Students are pre-tested before receiving services and post-tested after 60 hours of instruction for ESL and 40 hours for HSEC/ABE; therefore, not all students are represented in the outcome measures.
- ² Digital Skills Development includes digital literacy classes, 1:1 support during drop-in hours, laptop loans, and training for Adult Education students.
- 3 The number of IET participants includes 58 Tech Equity participants.
- 4 Student Support Services includes program outreach, 1:1 goal setting & follow-up, and information & referral activities. On-going support and coaching is provided by Mobility Mentors to Tech Equity students and United Way Navigators to neighbors. Targets and outputs for this metric are lower for 2024 due to a reduction in staffing resulting in the loss of two primary support service roles. As of March 2024, we have served 56 Navigation and 22 Mobility Mentoring participants.
- 5 Work Readiness Services includes career exploration, resume building, bridge programs, and other support workshops to successfully connect students to employment.
- 6 Tech Equity participants go through training with the goal to receive an IT certification and obtain employment opportunities in the IT field. A Mobility Mentor engages directly with the participants, coaching them through the goal setting and self-sufficiency skill development.
- 7 The Mobility Mentoring outcome will be reported in future quarters due to issues with the current data system. The program is currently moving to a new data system that should facilitate the process.

ENTREPRENEUR CONNECTION

Reporting Period: Calendar Year Division: Economic Initiatives

BakerRipley Goals:

• EARN: Enhancing Financial Well-Being and Access to Resources

· LEARN: Developing Knowledge and Skills

Program Goals:

• Increase financial well-being of families

· Facilitate growth of small and local businesses and empower individuals to start a new business

| | 2023 Target | 2023 YTD | 2023 EOY | 2024 Target | 2024 YTD | | | |
|---|--|-----------------------|---------------------|-----------------------|----------|--|--|--|
| EARN OUTPUTS | | | | | | | | |
| 1. Technical Assistance participants | | 156 | 265 | 250 | 142 | | | |
| 2. Technical Assistance hours provided | | | | | | | | |
| | 1,000 | 770 | 1,542 | 1,000 | 1,724 | | | |
| EARN OUTCOMES 1 | | | | | | | | |

- ² This does not include Health & Wellness Center participants taking an evidence-based physical activity classes, which is reported on the Health Promotion page.
- 3 Outcomes 5, 6, and 9 are reported in Q4 following data collected from the Annual Client Satisfaction survey.
- ⁴ Education programming includes classes and presentations on nutrition, language learning, technology, abuse, and physical and mental health.
- ⁵ Seniors are connected to BakerRipley resources such as utility assistance and weatherization services external resources through partnerships such as Common Market Texas, Houston Food Bank, Target Hunger, and Second Serving.

NEIGHBORHOOD TAX CENTERS

Reporting Period: Calendar Year Division: Region Based Initiatives

BakerRipley Goals:

- EARN: Enhancing Financial Well-Being and Access to Resources
- BELONG: Encouraging Connections and Engagement

Program Goals:

- · Provide free tax assistance for low-income residents, leading to cost savings and increased net refunds for clients
- Connect neighbors to BakerRipley services and other resources provided by our United Way partners

| | 2023 Target | 2023 YTD | 2023 EOY | 2024 Target | 2024 YTD |
|--|---------------------|--------------------|-----------------------|--------------|--------------|
| EARN OUTPUTS | | | | | |
| 1. Tax returns prepared | 35,500 | 35,040 | 36,390 | 36,500 | 37,188 |
| 2. Net refunds generated | \$44,750,000 | \$43,387,293 | \$44,217,668 | \$45,500,000 | \$44,607,682 |
| 3. Households receiving Earned Income | Tax Credit | | | | |
| | 7,200 | 7,120 | 7,376 | 7,300 | 7,952 |
| 4. Households receiving Child Tax Credit | | | | | |
| | 5,500 | 5,431 | 5,568 | 5,700 | 5,818 |
| EARN OUTCOMES | | | | | |
| 5. Average savings by neighbors based of | n average tax retur | n preparation cost | t of \$234 per returr | า | |
| | \$8,300,000 | \$8,199,360 | \$8,515,260 | \$8,541,000 | \$8,701,992 |
| 6. Amount in Earned Income Tax Credits | (EITC) accessed by | neighbors | | | |
| | \$16,100,000 | \$14,742,957 | \$15,089,402 | \$15,500,000 | \$17,738,498 |
| 7. Amount in Child Tax Credits (CTC) acc | essed by neighbors | | | | |
| | \$10,400,000 | \$10,631,206 | \$10,982,947 | \$11,000,000 | \$11,278,170 |
| BELONG OUTCOMES | | | | | |
| 8. Number of volunteers | 265 | 237 | 243 | 300 | 312 |
| 9. Number of volunteer hours | 13,500 | 13,861 | 16,125 | 15,200 | 16,554 |

- ¹ Each neighbor receives a bilingual one-pager with information on BakerRipley and partner services that can be accessed by calling the 211 Texas/United Way HELPLINE. We also promote internal and external partners during outreach efforts.
- ² 19% of the families we serve are single parent families. The average tax refund is equal to 13% of the average annual family income of \$27,285, making it the single largest payment received across the year. This impact is even more pronounced for qualifying EITC and CTC households where refunds equal 28% of the average yearly income.
- ³ While the number of returns increased compared to 2022, the expiration of the pandemic tax credits, such as the expanded Child Tax Credit and Earned Income Tax Credit, decreased the amount of money households could access this year.

UTILITY ASSISTANCE PROGRAM

Reporting Period: Calendar Year Division: Region Based Initiatives

BakerRipley Goals:

• EARN: Enhancing Financial Well-Being and Access to Resources

• BE WELL: Improving Social Drivers of Health

Program Goals:

- Provide individuals with financial assistance for utilities (gas and electric)
- Provide energy efficient household heating and cooling equipment
- Educate individuals on energy saving methods to help reduce consumption

| | 2023 Target | 2023 YTD | 2023 EOY | 2024 Target | 2024 YTD | | | | |
|---|---|-----------------------|--------------------|-----------------------|----------------|--|--|--|--|
| EARN OUTPUTS 1 | | | | | | | | | |
| 1. Households served | 14,000 | 11,773 | 17,790 | 11,600 | 5,130 | | | | |
| 2. Individuals served | 28,000 | 20,307 | 32,426 | 23,200 | 6,718 | | | | |
| 3. Total amount of assistance provided | \$27,166,607 | \$21,833,367 | \$30,031,311 | \$18,922,169 | \$8,647,491 | | | | |
| 4. Percent of assistance committed | 100.0% | 79.2% | 100.0% | 100.0% | 45.7% | | | | |
| EARN OUTCOMES 2 | | | | | | | | | |
| 5. Average amount of utility assistance re | eceived by househo | olds in crisis to hel | p avoid disconnect | ion or have utilities | turned back on | | | | |
| | \$290 | \$289 | \$281 | \$300 | \$0 | | | | |
| 6. Average amount of utility assistance re | 6. Average amount of utility assistance received per household a year | | | | | | | | |
| | \$1,879 | \$1,680 | \$1,516 | \$1,650 | \$1,978 | | | | |
| 7. Average amount of heating and cooling equipment households receive to lower utility-related expenses | | | | | | | | | |
| | \$2,654 | \$0 | \$4,444 | \$2,500 | \$6,256 | | | | |

¹ The output for metric #4, total amount of assistance provided, is lower than recorded in previous years as a result of a transition to a new database system and a resulting delay in data entry. This number is expected to increase in future quarters to a more typical level.

² Standard cost of utility service in the southern region is \$2,054 per year based on the Consumer Expenditure Surveys (Bureau of Labor Statistics, 2021).

WEATHERIZATION

Reporting Period: Calendar Year Division: Region Based Initiatives

BakerRipley Goals:

- EARN: Enhancing Financial Well-Being and Access to Resources
- BE WELL: Improving Social Drivers of Health

Program Goals:

- Provide homes with energy efficient improvements to reduce energy-related bills.
- Provide homes with health and safety improvements to protect the well-being of residents.
- Educate homeowners on how to increase savings through daily habits for efficient use.

| | 2023 Target | 2023 YTD | 2023 EOY | 2024 Target | 2024 YTD | | |
|---|--------------|-------------|--------------|--------------|-------------|--|--|
| EARN OUTPUTS | | | | | | | |

| | \$11,092 | \$10,070 | \$10,789 | \$11,990 | \$8,944 | | |
| BE WELL OUTCOMES | | | | | | | |
| 5. Societal benefits based on the Department of Energy's cost-benefit ratio of 4.5 for weatherization | | | | | | | |
| | \$16,471,482 | \$6,978,853 | \$12,526,154 | \$19,261,437 | \$5,070,980 | | |
| 6. Estimated annual reduction of CO2 (in tons) based on the Department of Energy's estimates of CO2 reduction from home | | | | | | | |
| weatherization | 875 | 408 | 684 | 946 | 334 | | |

¹ Weatherization assistance provides an annual savings of \$960 on heating and cooling bills per household in Texas (tdhca.state.tx.us, Weatherization in the State of Texas, 2018). Weatherization reduces costs for households by increasing the energy efficiency of homes and ensuring residents' safety. These cost savings can include energy and non-energy expenses, such as energy bill payments, out-of-pocket medical expenses, and loss of wages due to missing work because of unaffordable energy (energy.gov). The cost-benefit ratio for energy and non-energy effects of weatherization is estimated at 4.5 according to the U.S. Department of Energy's national program evaluation of the WAP program (Federal WAP Fact Sheet, 2021).

² National estimates of CO2 savings indicate an annual reduction of 3.5 metric tons per unit weatherized (aceee.org, Federal WAP Fact Sheet, 2018).

VETERAN SERVICES

Reporting Period: Calendar Year Division: Regional Initiatives

BakerRipley Goals:

• EARN: Enhancing Financial Well-Being and Access to Resources

• BE WELL: Improving Social Drivers of Health & Wellness

Program Goals:

- · Access to housing and improved financial stability for veterans and their families who are homeless or at risk of homelessness
- Provide health care navigation services to veterans and facilitate their access to physical and mental health care at regional VA or other non-VA community health centers.

| | 2023 Target | 2023 YTD | 2023 EOY | 2024 Target | 2024 YTD | | |
|--|---|----------|----------|-------------|----------|--|--|
| EARN OUTPUTS | | | | | | | |
| 1. Individuals served | | 1,071 | 2,352 | | 1,315 | | |
| 2. Enrolled households | 350 | 212 | 468 | 350 | 231 | | |

| 6. Average number of days between enrolli | 6. Average number of days between enrolling and moving into permanent housing | | | | | | |
| | | 11 | 7 | | 38 | | |
| EARN OUTCOMES 1 | | | | | | | |
| 7. Rapid Rehousing Veterans who successfully move into permanent housing | | | | | | | |
| | 70.0% | 55.2% | 46.4% | 70.0% | 72.0% | | |
| BE WELL OUTCOMES 2 | | | | | | | |
| 8. Veterans who have successfully connected to healthcare services | | | | | | | |
| | | 45 | 79 | 60 | 17 | | |

- ¹ Veterans face many barriers attempting to obtain new housing, such as no/low income, history of evictions, and other extenuating circumstances. In addition, the availability of supportive housing units has decreased since the pandemic.
- ² The target is to connect as many veterans as possible. However, many are already connected and the timeline to connect veterans who need services may be limited based on level of need.

LEADERSHIP COMMENTS

¹ FAPO works with Career Offices and Eligibility Offices; it is supporting architecture for such programs, and main outcome will be to supply subsidies.

² As the FAPO contractor for the past 15 plus years, we have processed more than \$1 billion of financial assistance for Workforce Solutions. Our contributions to Workforce Solutions include development, design, and implementation of systems and functions that allow us to effectively handle payments for financial aid awarded to customers in the Gulf Coast region.

CHILD CARE SERVICES

Reporting Period: Fiscal Year, October-September

Division: Workforce Initiatives

BakerRipley Goals:

• EARN: Enhancing Financial Well-Being and Access to Resources

• LEARN: Developing Knowledge and Skills

Program Goals:

Provide childcare as work support.

• Improve quality of childcare.
